

We're here to support your career

Add the perks of employment to the freedom of contracting with Key Portfolio, an umbrella company you can depend on.

Contracting advice

Get expert help with all things contracting. Tax, proof of income, welfare at work, mortgages, right-to-work... whatever it is, just pick up the phone.

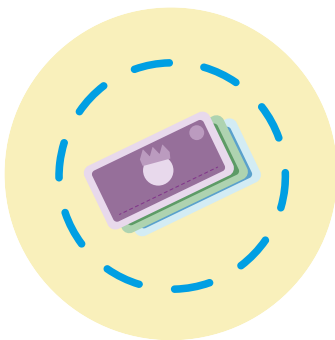

A safety net

We can sort you out with benefits like sick pay, maternity pay and paternity pay. It's nice to know they're there when you need them.

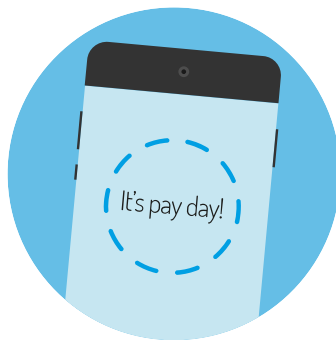

Perks and discounts

A package of employee perks and discounts to use at work and home. Exceptional savings on shopping, restaurants, travel and loads more.

Centralised income

Got more than one agency? We make it simple. All payments are handled together: one tax code, one payslip, one pay day and one P60.

Payroll you can rely on

Around here, Friday means pay day. It just happens; on time, every time. And we'll send a text to let you know, so you're never left wondering.

Community spirit

You'll be part of our friendly community of contractors, instantly gaining thousands of colleagues. We'd love to have you on board.
